

Emanuel Mihali

Engineering of Computing Systems Student at Politecnico di Milano

Knowledge is my goal, Computer science my passion.
I delight in creating applications and exploring cybersecurity,
but my curiosity constantly leads me to learn new things.
Piolteggio, 20096, Milano

★ Skills

Curiosity
Problem solving
Resilience
Time Management
Effective Communication
Reliability
Team-working

🖥️ Competences

Flutter
Firebase and Firestore
Full Stack Web Development
MySQL DB
IoT system implementation
Network traffic analysis
Web penetration testing
Docker

🔨 Computer Languages

Python	Php
Dart	Javascript
Java	Html
C	CSS
SQL	

🌐 Languages

English	C1
Italian	Native/Bilingual
Romanian	Native/Bilingual

👤 Education and Experiences

July 2022
ILikeTrains Website
Personal trains monitoring website
-Trenitalia api wrapper with FastApi
-Bootstrap F. End and Php/Python B. End

July 2022
ICT High school diploma
100/100 cum laude
ITSOS Marie Curie - Cernusco S/N, Milan

28 May 2022
Olicyber - Bronze Medal
Italian National Cybersecurity Olympics

October 2021 - May 2022
Project "Aquilone"
School air quality monitoring IoT project

September 2021 - July 2022
EasyBar Project
School food ordering Android and IOS app
-Dev Team Leader

March 2021 - June 2021
Cyberchallenge.it
Cybersecurity national training program

🏅 Certificates

May 2022
- **Cisco IoT Fundamentals**
- **Cisco Cybersecurity Essentials**

May 2021
- **Cambridge First: level C1**
- **Cisco CCNA: Introduction to networks**

June 2020
- **Cisco IT Essentials PC**
